

# GROUP VISITS

## POMMERN AND THE ÅLAND MARITIME MUSEUM

### POMMERN AUDIO GUIDES

For groups up to 30 people a personal audio guide is included in the admission fee. Please book the audio guide in advance. The audio guide is an essential part of the onboard experience, consisting of a dramatized soundtrack that takes the audience back to the 1930s letting them eavesdrop on the crew. Children (age 4-11) have their own soundtrack with the ship's rat Ruby.

**Languages: Eng, Swe, Fin**

**Time: approx. 25 minutes**

### ACCESSIBILITY

Accessibility is good in the Maritime Museum and on board Pommern. Visitors access Pommern via a walkway from the Maritime Museum's terrace. There are lifts and seating areas on Pommern. However, the living quarters on weather deck have high thresholds and may be difficult to access.

At the Maritime Museum there are lifts and ramps between all floors and levels.
